

ACCLAIM

Medium maturity grain sorghum

KEY: Rating Scale 1 - 9

1 - Poor

9 - Excellent

HYBRID ATTRIBUTES

Acclaim is a medium maturity grain sorghum hybrid providing Australian sorghum growers with even greater choice in this popular maturity segment.

Through the combination of first-class pre- and post-flowering stress tolerance as well as large grain size, Acclaim offers producers with reliability across dryland and irrigated scenarios in all of Australia's sorghum growing regions.

Acclaim's semi-open head type and medium plant height assist with ease of harvest. It's ability to tiller also provides flexibility to take advantage of good conditions and boost yield potential as circumstances allow.

For those looking for something new to try this season, look no further than Acclaim.
