

# Access your Seed Analysis Certificate

Scan the QR code on the product label for quick and easy access to the Seed Analysis Certificate. Customer data will be recorded for tracing purposes in the unlikely event of a product recall.

1

Using your mobile device, hover over the QR code using your camera function and click the pop-up that appears on the screen.

2

The Pacific Seeds Seed Analysis Certificate web page will open. Fill in the details and hit Submit. User details will be remembered for next time.

3

After a few seconds, users can select the View Seed Analysis Certificate button.

4

A PDF Seed Analysis Certificate for the requested batch will be displayed and available for saving, printing etc.

You can also enter the batch number on the label directly into the website to access the Seed Analysis Certificate.
