

2025 Foundation Farm Field Days

Allora, Southern Queensland
11-13 February 2024

FOUNDATION FARM - DRIVING AGRICULTURAL INNOVATION

Pacific Seeds is committed to innovation and seeing growers' full farming potential realised. As part of our unwavering commitment to this, in 2021 Foundation Farm was established, a farming innovation hub driving new systems, practical research and approaches for farm efficiency, sustainability and ultimately profit for Australia's agricultural industry.

Join us for an exciting program of guest speakers, field walks, machinery demonstrations, research updates and much more. Spots are limited, register today!
